4 <DIVISION \_\_\_\_\_  
5 TAX CREDIT REVIEW

6 Sec. \_\_\_\_\_. NEW SECTION. 421.11 Ongoing tax credit  
7 review ---- repeal dates.

8 1. The general assembly finds that a regular review  
9 of the tax credits administered by the department  
10 of revenue is necessary to determine whether each  
11 credit is effectively and efficiently meeting the  
12 needs for which created and whether the needs remain  
13 applicable. The general assembly further finds that a  
14 regular, systematic review process can identify the tax  
15 credits that are no longer relevant or functioning at a  
16 desirable level and can eliminate or reorganize those  
17 tax credits so that state resources can be used most  
18 effectively or diverted to other priorities.

19 2. The committees on ways and means of the  
20 senate and house of representatives shall propose  
21 legislation for consideration by the eighty-seventh  
22 general assembly, 2018 session, providing a staggered  
23 schedule for establishing an automatic repeal date  
24 for each tax credit administered by the department  
25 over the succeeding five-year period. The committees  
26 on ways and means shall consult with the office of  
27 the governor and the department in formulating the  
28 staggered schedule and the office and department shall  
29 cooperate in providing necessary information requested  
30 by either committee. The repeal date provisions shall  
31 be implemented in a manner so that any tax credit that  
32 is reauthorized by law is again subject to automatic  
33 repeal five years after reauthorization.>
